Election/Restrictions

1. The reply filed on 6/21/2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant did not provide a listing of all claims readable on the CONFLUENCE of both elected groups of species. In particular, simply stating which claims are readable on Species A1 and separately stating which claims are readable on Species B1 does not comply with the requirement. It is necessary that the applicant provide which claims should be examined that are actually readable on the confluence of both groups. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ramya G. Prakasam whose telephone number is (571) 272-6011.

The examiner can normally be reached on Monday - Thursday, 8:30am-7pm EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Gene Crawford can be reached on (571) 272-6911. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
